DELIVERIES

The IDS delivers to clinics or infusion suites, with an electronic chain-of-custody. Charges may apply depending on distance. A courier service is available within a 50mi radius. If picking up meds directly from IDS, bring a PennCard or UPHS ID (CHOP and Wistar staff - obtain a courtesy PennKey).

TEMPERATURE

Electronic, continuous, charts available at visit.
Main/Central use COMARK, North AEROSCOUT.

RECORDKEEPING

Electronic, Vestigo™, request electronic access during visit or receive printed logs. IDS discourages transcription onto paper; both FDA and EMEA consider IDS logs to be source documents.

ARCHIVAL

Minimum 20 years, IDS uses the Penn Records Center:
www.archives.upenn.edu/urc/urc.html

SECURITY

Main & Central: Electronic locks, cameras
North: Key/code combination locks, cameras

cGMP/cGLP (IDS CENTRAL ONLY)

Formulation, compounding, manufacturing and customized packaging and labeling expertise, as well as a product testing lab (no human samples).
